Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Friday 29 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Saturday, cold wind. Some snow possible far south and west.

This Evening and Tonight:
Cold overnight, with evening showers easing, perhaps briefly wintry across hills. Clear spells expected especially in the northeast, with frost possible. Cloudier across south-western parts, perhaps some rain possible later. Minimum temperature 0 deg C (32 deg F).

Saturday:
Mostly cold, cloudy, and breezy. Some rain likely in the far south and west, falling as snow for a time, although north-eastern extent uncertain. This clears south later, then frosty. Maximum temperature 4 deg C (39 deg F).

Outlook for Sunday to Tuesday:
Sunday, frosty start, turning cloudier. Chance of rain or snow in south later. Monday, mostly dry, bright, cold. Tuesday, stronger winds, snow turning to rain, clearing northeast. Less cold later.
